Dear Jeff:

This letter is written on behalf of Jeff Tayer, Regional Director, Yakima. I wanted you to know I have been very favorably impressed with him and the job he has done, so far.

It is rewarding to know we have a Regional Director who will actually answer calls and discuss issues with the constituency. Moreover, he does so with a high degree of professionalism. This does not mean we will not have our differences of opinion. But if and when we do, he knows I will win - Ha Ha.

I have been a businessman for a number of years and as such have always maintained that a job well done should be duly noted.

Sincerely,

A handwritten signature in cursive script, reading "James A. Clements".
